

CHIEF OF THE INDONESIAN NAVY

Jakarta, 28 August 2015

Dear Admiral

I have the honour to inform you that the Indonesian Navy will be hosting the Western Pacific Naval Symposium (WPNS) Workshop to be held in Jakarta from January 25 to 28, 2016.

I would like to formally invite you to send representatives (at most two officers with CDR or Captain Rank) for the WPNS Workshop 2016. I am looking forward to receiving your delegates as we continue to increase cooperation, build trust and confidence, and strengthen relations among the WPNS member navies.

In preparation for the workshop, we would like to request the needed information in the attached Delegate Summary Form for our reference. Moreover, please confirm your attendance in the said activity before December 15, 2015. The Indonesian Navy will be responsible for the organization of the Workshop such as venue costs, ground transportation and hospitality. However, the participating navy will be responsible for the transportation to and from Indonesia, hotel costs, meal allowances, travel and other related costs.

Should there be other details and concerns in connection with the WPNS Workshop 2016, Commander Tony Herdijanto with email address at paban_5_straops@tnial.mil.id, phone at +62 21 8723147 (office), and mobile at +62 82143194846 is available to coordinate with your staff and our respective Defense attaché accordingly.

With my best wishes and warmest regards.

Sincerely yours
A. Supandi
